

Saturday, September 30, 2017 * Southlake Hilton, Southlake * Registration opens 6pm

A NIGHT IN WHITE BENEFIT GALA

We are excited to be announce the first annual Night In White Gala, which will be held on Saturday September 30, 2017 at the Hilton at Southlake Town Center. This annual gala benefits Bochy's Place Transitional Home. Bochy's Place is a transitional living home focused on rebuilding the lives of women who have been rescued from sex trafficking and exploitation.

Statistics tell us that 90% of girls that are rescued from exploitation and trafficking return to the streets simply because they do not know how to re-enter society. Bochy's Place is the first of it's kind in Dallas that offers girls a Christ centered loving, safe, nurturing environment to live while they learn how to walk out their new life. Our goal is to educate them, place them in a job and teach them all of the skills necessary while living in the home up to 18 months, to have a REAL chance to walk out this second chance at life they have been given.

This year's goal is to raise over \$500,000. This will allow us the opportunity to buy a home to house up to seven girls and the resources necessary to pay for the day-to-day costs of running the home for one year.

My name is Carla Shellis and I am the founder of Sparkle Living Ministries, Inc. It is with my deepest heart felt gratitude that I say THANK YOU so very much for agreeing to hear the vision the Lord has put on my heart and in my life. After working with girls rescued from exploitation and trafficking for two years I discovered a passion for seeing the true redeeming blood of Jesus at work right before my eyes.

I am now committed to fulfilling a mission to rebuild the family, home, and children through the woman. Thank you for standing with me and helping me to help these women who are broken and forgotten. Together we can rebuild to beauty from ashes!
